## eT3 ELECTRIC VAN

## BYD eT3 Electric Van

The high performance eT3 is a compact 100% electric van that offers low energy consumption and reduces cost of maintenance, making it an ideal solution for businesses and fleet operators.

### Cost-Saving, Eco-friendly and Safe

The eT3's pure electric drive, powerful motor and automatic gear shift makes it easy to operate with zero tailpipe emissions.

Powered by BYD's proprietary LFP Blade Battery with a capacity of 44.9kWh, the silent-running vehicle offers a driving range of up to 280km on a single charge.

With ample cargo space of up to 3.8m<sup>3</sup> and a 800kg payload, the energy-saving eT3 is designed to meet your urban logistics and transportation needs.

#### Cost-saving

- Low running and maintenance costs translates to higher ownership savings

#### Eco-friendly

- LFP Blade Battery chemistry contains no heavy metals
- Uses non-toxic electrolyte with no heavy metals

#### Safe

- Proprietary Battery Management System (BMS) for balancing and charging safety
- No oxygen released, no propensity for combustion
- Thermal balancing technology
- Prevent swelling of battery cell

|   | CVES Band              | A   |                     |
|   | Battery Type           | BYD LFP Blade Battery                                   |                     |
|   | Battery Capacity*      | 44.9kWh   |                     |
|   | Charger                | AC 6.6kW / DC 50kW                                      |                     |
|   | Charging Voltage       | Single-phase AC 230V / Three-phase AC 400V              |                     |
| Charging Time (0-100% SOC) <sup>^</sup> | AC 6.8h / DC 1h        |   |                     |

### FEATURES

- AC and DC Charging Connectors
- 7" TFT radio display integrated with reverse camera
- Keyless Entry and Start/Stop System
- Electronic Gear Selector and Parking Brake
- Selectable Regenerative Braking Control
- Tire pressure monitoring system (TPMS)
- 4.3" TFT instrument panel display
- Driver and Front Passenger Airbags
- Factory Fitted Leather Seats
- Automatic Headlights
- Digital Climate Control A/C
- Aluminium Chequered Cargo Plate
- 5-Twin Spoke Alloy Sports Rims (16")

Features and specifications subject to change without prior notice.
